Ordinance
on Measures to Combat
the Coronavirus (COVID-19) in
International Passenger Transport
(COVID-19 Ordinance on International Passenger Transport Measures)

of 2 July 2020 (Status as of 7 September 2020)

The Swiss Federal Council,
on the basis of Article 41 paragraph 3 of the Epidemics Act of 28 September 2012¹
(EpidA),
ordains:

Art. 1 Subject matter and purpose
This Ordinance introduces measures in relation to international passenger transport
to prevent the cross-border spread of the Sars-Cov-2 coronavirus.

Art. 2 Quarantine for persons entering Switzerland
Persons who enter Switzerland and who have within the previous 14 days stayed for
any time in a country or area with an increased risk of infection with the Sars-Cov-2
posit situation, and there are indica-
tions that there is an increased risk of transmission in the country or area concerned.

c. In the past four weeks, there have been repeated instances of infected persons who have stayed in the country or area concerned entering Switzerland.

The list of countries or areas with an increased risk of infection is set out in the Annex. The Federal Department of Home Affairs (FDHA) shall update the list regularly in consultation with the Federal Department of Justice and Police (FDJP), the Federal Department of Finance (FDF) and the Federal Department of Foreign Affairs (FDFA).

**Art. 4** Exceptions to the quarantine requirement

1 The following persons are exempted from the quarantine requirement under Article 2:

a. persons who transport other persons or goods professionally by road, rail, ship or plane;

b. persons whose work is essential to maintain:
   1. the efficiency of the health service,
   2. public security and order,
   3. the efficiency of institutional beneficiaries as defined in Article 2 paragraph 1 of the Host State Act of 22 June 2007,
   4. Switzerland’s diplomatic and consular relations;

c. persons who in the course of their professional activities for rail, bus, shipping or airline companies transport passengers across borders and in doing so have spent time in a country or area with an increased risk of infection;

d. persons who for professional or medical reasons enter Switzerland every day or for up to 5 days and whose visit cannot be postponed;

e. persons who as transit passengers have stayed less than 24 hours in a country or area with an increased risk of infection;

f. persons who enter Switzerland for the purpose of transiting the country and who intend and are able to travel on directly to another country.

2 The employer shall verify and certify that entering Switzerland is essential in terms of paragraph 1 letter b.

3 The competent cantonal authority may in justified cases permit further exceptions from the quarantine requirement or relax certain conditions.

4 For persons who display the symptoms of COVID-19, paragraph 1 does not apply unless the symptoms have a different cause.
